## SUPPLEMENTAL READING LIST SIXTH GRADE

Dear Parents:

Teachers at Hillcrest Christian School are often asked to recommend supplemental reading for your children. This list may be able to help you with the selection of additional reading material for your child, serving as a guide in giving the student exposure to classical and modern literature. Look through the list to see what titles may be of interest to you. Please be responsible to screen this list, selecting what you feel is the most appropriate reading for your individual child. These suggestions are not intended to be an exhaustive list from which to choose. They are compiled to be grade-appropriate and will help prepare the student for higher education or to be a well-read adult.
